SIXTEEN DEMO CART

INSTRUCTION BOOKLET

SIXTEEN-DEMO-0001

SAMPLE - NOT A REAL GAME

WELCOME

This booklet is a sample manual.
It exists so the manual reader on the game shelf has pages to show.

Open it from the shelf, then use the arrows to flip pages.

CONTROLS

D-PAD ..... Move the square
B ..... Hold to spin the colors

The console panel has the rest: reset, save states and the pause notebook for notes and screenshots of any game.

SAVING

This cartridge has no battery backup. Use the save-state slots in the console panel to keep your place anywhere.

States live in the app's saves/ folder, one set per game.

ABOUT

SixteeN is a personal, non-commercial project. This sample cartridge, its art and this manual were generated for the app's dev mode.

Delete them any time from the roms/ and assets/ folders.
